

## CONVENTION 2022

### **ALIGNN CALL FOR ABSTRACTS**

Due: June 15, 2022

Notification by: July 1, 2022

#### **GENERAL INSTRUCTIONS:**

- Abstract < 250 words (excludes Title, Author details).
- Abstract Title - In bold, < 15 words long
- Abstract authors – presenting author name first, underlined and superscript number next to initial, then remaining authors
- Email address – for the presenting author; work or university email preferred

#### **ORAL PRESENTATIONS**

**ORIGINAL RESEARCH:** Original research with results/findings at the time of submission. Presentation by a member of the research team. If previously published or presented, please note where and when the data was published/presented.

**QUALITY IMPROVEMENT (QI) PROJECTS:** Completed QI projects with results may be submitted, including projects designed to improve newborn care, nursing care or nursing education structures, processes, or outcomes.

**CASE STUDY PRESENTATIONS:** Case reports of clinically interesting cases may be submitted but must not contain identifying information. Case study presentation abstracts can be written as a narrative summary.

#### **POSTER PRESENTATION**

**POSTERS:** Poster will be on display in the poster showcase area for the duration of the conference and presenters will be required to stand by their poster at nominated times during the conference.

#### **POSTER FORMAT & TEMPLATE:**

- PORTRAIT orientation & printed no larger than AO size (841mm wide X 1188mm high)
- Title: 10- 15 words in length
- Authors names and affiliations
- Font: large enough to be legible at a distance of 1.5m.
